1. Please describe your professional role and how it relates to OAA and supporting the organization.
As a Community Relations Associate at NEMS & major in Business Marketing, I can help with outreach, event planning, and community relationship building.
2. Please describe your prior involvement or interests with the organization?
My interest will be partnership building, maintaining relations, marketing to help merchants and support them.
3. What is or has been your involvement in the OAA?
NEMS hosted an informative booth at Unity Plaza to provide health-related information to the residents, which we can use to help plan more events to bring more traffic to the neighborhood.
4. Please describe the goals and objectives you would like to accomplish as a member of the organization Board. As a resident who lives a few blocks from Ocean Ave, my goal as a member of the organization board is to host more activities/events to build a strong community connection.
5. Please include other information that is relevant to serving on the Board.
