"Item #3

It would be helpful to have the office hours for the OAA posted on the front door. If staff is required to leave during posted business hours to attend to neighborhood business, like talking with merchants or other matters, a sign could be posted with the anticipated return time.

Item #10

The new mural on the "Walgreen Wall" is a welcome addition to the neighborhood - thank you to Neal Ballard and Nathan Bice!

Thank you OAA too!

Many neighbors, myself included are looking forward to seeing more artwork that fully represents our vibrant and diverse history, cultures, traditions and people past, present and future. We are so fortunate that we have artists and art programs at craft centers, schools and colleges in our neighborhood to draw from to be future muralists!

We are looking forward to seeing, hearing about and receiving "Call to Artists" so we can help in publicizing future projects!

General Information

Welcome to the Ocean Avenue Association (OAACBD) Board of Directors Meeting. The OAACBD Board comprises volunteers, many of whom own property in the district and/or are business owners in the district. None of the Board members are compensated.

The OAACBD mission is to improve the quality of life in the district by supplementing services performed by the city and county of San Francisco. Those services include, but are not limited to, street cleaning, greening, neighborhood beautification, and public safety.

OAACBD is funded by a special assessment approved by and paid for by property owners in the district. It receives no public tax dollars. The assessments appear on property tax bills, are collected by the San Francisco Assessor's Office, and forwarded by that office to the OAACBD.

Members of the public are welcome to but not required to introduce themselves and to sign in on the sheet provided. If, when a member of the public speaks, the Chair asks them to introduce themselves, it is done as a matter of courtesy. If the speaker does not wish to introduce themselves, they are free to decline.

Members of the public are welcome at all Board Meetings and Committee Meetings except for closed sessions as allowed for in the California Brown Act.

About Public Comment

Public Comment

Public comment is taken on every agenda item, *after* Board discussion, but *before* the Board vote. Public comment at this time is limited to the specific agenda item. In general, public comment will be limited to 2 minutes per person per item, and 6 minutes total per item. These limits may be modified by the Chair at their discretion.

General Public Comment

General Public Comment is used for remarks to the Board about items not on the agenda. At Board Meetings, general public comment will be taken at 7:20 pm.

Members of the Board are not permitted to discuss items that are not on the agenda.

Therefore, during general public comment, there is no Board discussion.

Notes will be taken on comments. Pursuant to Section 54957.9 of the Brown Act, the Board shall exclude or remove all persons who willfully cause a disruption of a meeting so that the meeting cannot be conducted in an orderly manner. "Disruption" includes personal attacks, physical threats, derogatory, offensive, insolent, threatening, slanderous, obscene, etc. comments directed at members of the Board, the OAACBD Executive Director and/or Administrative Staff persons, guests, or members of the public. Disruption also includes boisterous or other behavior that prevents the meeting from continuing in an orderly fashion. This behavior is to be distinguished from comments which are critical but are delivered in a manner that is not disruptive to the meeting and non-threatening.

Members of the public can also contact the OAACBD Executive Director and request agenda items be added to the Board Meeting. The Executive Director can be contacted at (650) 273-6223 or via email:

Pursuant to State of California's Assembly Bill 361, and California Government Code, Section 54953(e), and in light of the City Attorney's Office policy encouraging public bodies to place adoption of a public resolution regarding remote/hybrid meetings on monthly meeting agendas as a best practice, the attached RESOLUTION has been placed on the Board's next meeting agenda to enable adoption of a public resolution regarding the Board's continuing practice of holding remote/hybrid monthly meetings.

RESOLUTION

The Ocean Avenue Association finds that the State of California and the City remain in a state of emergency due to the COVID-19 pandemic.

The Ocean Avenue Association has considered the circumstances of the state of emergency, and further finds that without allowing certain members of this body to attend remotely, it would present imminent risks to the health or safety attendees due to COVID-19, or for other reasons as outlined in California Government Code, Section 54953.

THEREFORE, be it RESOLVED, that until further notice, and/or otherwise as allowed by law, the Ocean Avenue Association will hold remote Zoom meetings.
